Australian Meeting on Accelerator-Based Particle Physics

This workshop will focus on future directions for the field of accelerator-based particle physics in Australia. The program will comprise both research talks as well as more strategy oriented sessions focusing on vision and plans.

Starts 18th February @ 10.30am
Ends 19th February 6.30pm
Venue: Theatre S11, 16 Rainforest Walk, Clayton

Contact: peter.skands@monash.edu
